OUT OF THE SHADOW

LED - TECHNOLOGIES

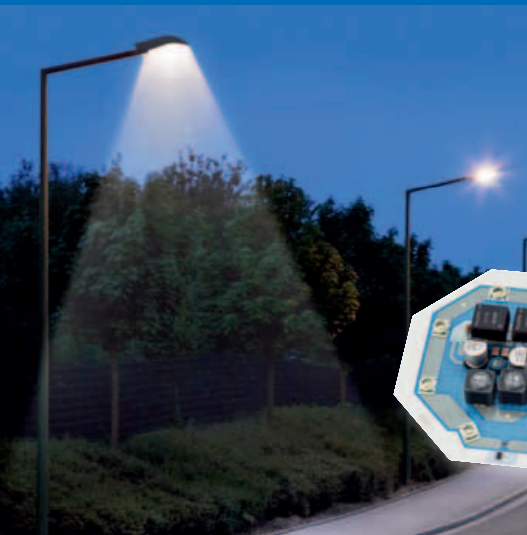

Integrated Power Supply
up to 230V AC

Optimized Thermal
Conductibility

Integrated Temperature
Controlling

LED

electronics + design

OCTAGON

- power supply on board
- 230V AC direct
- dimmable through PWM-Signal
- temperature regulation
- including lenses for different radiation angles
- optional different colors

TECHNICAL DATA

Illuminant	white monochrome
Supply Voltage	230V AC
Power Rating	25W
Mounting	stick-pad/screws

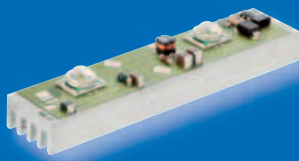

SPOT LIGHT

- power supply on board
- 24V DC direct
- dimmable through PWM-Signal
- temperature regulation

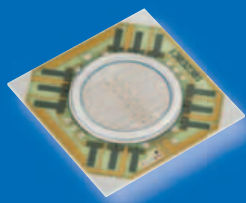

TECHNICAL DATA

Illuminant	white monochrome
Supply Voltage	24V DC
Power Rating	5W
Mounting	stick-pad/screws

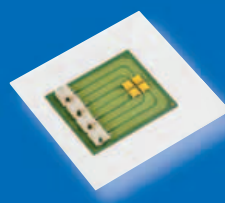

OUR TECHNOLOGIES

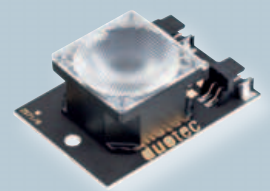

Thick-film
with
heat sink

CoB
with
AL₂O₃

Thick-film
with
aluminum

SMD
with
Insulated Metal Substrate
